

Tentative Calendar for KR25, 2020-2022

The program is composed of 14 course modules spread over two years in two formats:

- Five-week modules:** Third of the courses are held in this format, in which classes meet on Thursday afternoons and Friday mornings.
- Intensive modules:** Typically nine courses evenly spread over two years are held in this format. These courses are conducted over five or six consecutive full days within a single week.
